PRINCIPAL'S REPORT

Dear Families,

This will be the final Newsletter for this year as we will be at the camp next week.

We would like to wish everyone a safe and happy holiday and look forward to seeing everyone next year. Thank you for your support for our great little school.

A huge thank you to the Year 6 students who have done themselves and us proud this year. Good luck next year everyone.

SWIMMING

We had a really successful swimming program with all students making significant progress. Well done to the girls and boys who worked hard at improving their technique and swimming fitness. The weather was challenging with both hot and cold conditions throughout the week. Thank you to those parents who helped out and in particular Sylvia who gave such support to Tiahn. I strongly urge parents to continue lessons over the summer months and into Term 1. Being able to swim confidently is a life-long skill that every child should have.

PRESENTATION DAY

Our presentation day is on Thursday starting at 9.30am. We will be having a very short P&C meeting after morning tea and then parents are encouraged to visit the classrooms to see the technology works that the students have created.

SCHOOL WEBSITE

Don’t forget to check out the school web site for some more great photos and information.

SCHOOL FOCUS

- Wear a hat and drink lots of water.
RAFFLE – YEAR 6

Year 6’s have organised a raffle and a 100 club. Please support them in their endeavor to raise money for our BBQ at Stuarts Point next Tuesday.

Please support the students by selling tickets and also making donations of goods for the hamper.

Year 6 students will also be selling tickets in the 100 club on Presentation Day.

YARAHAPINNI CAMP

Thank you to those students who have returned their permission notes. It is going to be a fabulous way to finish off the school year and farewell our Year 6’s. If any students have a life jacket or Personal Floatation Device at home, could you please bring it so I can check it for our canoe trip. If you have a fishing rod or handline bring that along too.

If any families can help out with contributing to morning or afternoon teas for camp that would be great. Please let me know on Thursday if you can make a cake/slice/ biscuits. Place your goodies in an air tight container and send with your child to camp. A little home-made treat will be very much appreciated by the hungry campers.

We will be leaving school next Monday at 9.00am and picking students up along the way. Mrs Trudgett, Mr Simpson, Jane and myself will be accompanying the students over the three days. Families are welcome to join us at Stuarts Point for our BBQ lunch on the Tuesday. We will return to school by Wednesday at 3.00pm.

GOLF SET

Mr and Mrs Simpson have kindly donated a left handed golf set to the school. Thank you Mr and Mrs simpson from Amali Yr 2.

RESUMPTION OF SCHOOL NEXT YEAR

Staff return to school on Wednesday 27th January after the Australia Day Public Holiday. Students return to school on Thursday 28th January for a very short week 1.

Regards

Sarah Landers
Relieving Principal

TAYLORS ARM HALL AND RESERVE AGM AND GENERAL MEETINGS

It is that time of year again for the Hall and Reserve (tennis court and cricket pitch) AGMs. Once again both committees are functioning with only the executive plus a couple of extras. It would be great to see some new faces with people who are prepared to commit to getting some activities running at either venue.

Please come along and support your local facilities before Council makes the decision to close these areas.

Medlow Public School is a proud member of the Valley 10 Community of Public Schools.
What a great day we had for the last day of swimming on Friday. We had a look at the new traffic bridge being built in Macksville, we walked into the town then we had an ice-cream with Mrs Hullman and then it was off to the pool for the last day of swimming.
