Dear Families,

We are all looking forward to the Small Schools Athletics Carnival on Thursday.

Parents are reminded that their help and donations are crucial to the success of the Canteen Fundraising effort.

Please remember that Wednesday will be a mufti day because of the electricity outage. Students need to wear warm sporty clothes.

REPORTS

Semester 1 Reports will be handed out on Friday. Parents are encouraged to phone the school on Monday and make an appointment for an interview time on Tuesday or Wednesday.

ICAS ASSESSMENTS

This week the students will sit the writing assessment and the spelling assessment.

SCHOOL WEBSITE

Parents are reminded that there are lots of photos on the website that are not printed in the Newsletter. Please take the time to have a look at the great work Sara is doing with the Website. For parents who have not accessed the Website previously the best way to do this is to “Google” Medlow Public School.

THANK YOU

Thank you to Sylvia for covering the new readers.
SMALL SCHOOLS ATHLETICS CARNIVAL

Preparation is well under way for our big canteen day at Scotts Head. It will be great day for our P&C fundraising efforts. Please remember to bring in cakes/slices etc to sell and check your roster to see what time you are rostered to help out.

Please remember that the bus will be picking students up earlier than usual. Permission notes are attached. Please return by tomorrow.

ATHLETICS TRAINING

The students will be training very hard this week before school, recess and at lunchtimes for the field events. Some students have already achieved personal bests and are focused on doing even better. Please ensure your child has the correct footwear for athletics.

BIKES

It has been wonderful to see the enthusiasm from the students riding our new bikes. We are building up our collection of helmets which is making things a lot easier. A big thank you to Jamie, Lehman, Wren, Jane and Graham for working on Tiahn’s bike.

TELESCOPES AND BINOCULARS

Mr Simpson has asked if anyone has binoculars or telescopes that they would lend the school for our Camp out night could they please let us know? Information about the NAIDOC Camp-out is being prepared by Lauren and Amelia and this will be sent home tomorrow.

Regards,
Sarah Landers
Relieving Principal

Medlow Public School is a proud member of the Valley 10 Community of Public Schools.
