SHOWTIME

The students have been working very hard on their performance. Miss Perry came in on Thursday and we had a great session choreographing the dance routine. Beth has measured up all the girls and their costumes are mostly done.
Lehman, Jamie and Nick will need a check flannelette shirt and jeans.
Showtime tickets are available from the school at $5.00 per person.

HOMEWORK

Homework starts today and is to be returned on Friday morning. If students are having difficulty completing homework at home they are more than welcome to bring it in and discuss it with a teacher. This term there will be a bigger emphasis on spelling activities to ensure strategies are consolidated and results are improving not only in weekly spelling tests but also in writing.

FLAGPOLE AND BELL TOWER

You may have noticed that the flagpole, bell tower and school sign have been painted. Thank you Jenny – the end result is really impressive.

CRUNCH AND SIP

Parents please ensure your child has fruit that is cut up and ready to go for Crunch and Sip. When we do Crunch and Sip the students are expected to be sitting quietly, eating their fruit, sipping water and reading. This is a very important time for teachers to be monitoring your child’s reading.

READING VOLUNTEERS

Reading Volunteers are needed for Term 3. If you are able to help on Wednesday, Thursday or Friday please let us know as soon as possible.
